Grand Recorder Henry W. Mayer autounces temoval of the Grand Longe headquarters

You know all about it. You are a perfect slave to your work. It's rush through the day and worry through the night. There's no time to eat and no time to sleep.

How long do you suppose you can fight Nature in this way? She is patient, stands a great deal, but she is sure to strike back if you continue to ignore her laws.

Perhaps even now the first blow has come and your stomach has given out. Then your food distresses you, does you little good. You have nausea and sick headache; your bowels are constipated, and you feel greatly debilitated.

Perhaps another blow has come, and your nerves fail to do their work. You have nervous dyspepsia, nervous sick headache, and neuralgia. You suffer from terrible depression. The outlook is dark and forbidding. You feel sure that you are a perfect physical wreck.

There's another blow still to come. It is always given, unless you make up friends with Nature and lend her a little aid. Shall we tell you what that blow is?

## That's Nervous Prostration

And nervous prostration is something you don't want, that's certain. Then don't have it. A perfect Sarsaparilla prevents this distressing and dangerous disease, and it cures it, also. It keeps you up when especially pressed with work. It cures dyspepsia. and it builds up exhausted nerve tissue. But it must be a perfect Sarsaparilla to do this. So far as we can learn, there isn't but one in the world,

"The only Sarsaparilla made under the personal supervision of three graduates: a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."

\$1.00 a bottle. All Druggists.

"I have used Ayer's Sarsaparilla every spring and fall for a great many years. I am sure it keeps me free from boils and other signs of impure blood. It is just the medicine one needs to meet the pronounced changes of the seasons." GEO. R. THOMPSON, Rupert, Vt., March 30, 1900.

The Sarsaparilla will not do its best work if there is constipation. any such tendency by taking Ayer's Pills, just enough to insure daily action of the bowels. 25 cents a box. All Druggists.

The annual ression of the Supreme Council will be held at Chicago the counting week. Many matters of importance will come before that bedy including the advisability of admitting women. At the last meeting of Ivanhoe Council four candidates received the degree. It was decided to postpone the quarterly enterminment until the latter part of May. West End Council initiated two candidates.
